Dear Show visitors, dear Participants in our show!

It is the second time, that the crazy members of the Scatting Nobility are organizing the „Scatting Nobility Figures Show - Miniature Convention Vienna“.

We are proud and happy, that so many of our painting friends from all over Europe will support us with their presence.

Artists and painters, Traders dealing with all kind of Figures, wooden Bases, colours, brushes and Diorama parts, will give us the honour to come to our show in Vienna.

You will find a painting competition, different workshops held by international Artists, and a lot of possibilities to let your money for many new Kits and accessories on the dealers desktop.

But most important for us is the contact with many different interesting people who are all sharing our really fantastic hobby of painting figures. We know that they all lay their passion in their work to create masterpieces.

So we will act as a platform for Starters, advanced Painters, Artists and all people who love to paint figures in a relaxed and happy atmosphere.

Again, feel welcome in Vienna, enjoy our show and maybe come back to the next Event in August 2020.

In behalf of the members of Scatting Nobility,

Hans Urbaner
